

## Arts Council England:

**Arts Council England's COVID-19 Emergency Response Fund for Individuals - Opens 9 April 2020 with a deadline of 16 April 2020. Round two opens 16 April 2020 with deadline of 30 April 2020.**

The grant programmes will help compensate individual artists and freelancers for lost earnings. The money can be used to fund:

- Lost wages or living costs, like rent, bills or food.
- IT equipment or software to help the applicant do their job from home.
- Time to work on a creative practice. This might include practice, research or making new work.

To apply, applicants must first register on ACE's [Grantium](#) application portal.

**Arts Council England COVID-19 Emergency Response Fund for Arts and Cultural Organisations - Opens 9 April 2020 with a deadline of 16 April 2020. Round two opens 16 April 2020 with deadline of 30 April 2020.**

The main focus for this fund is ensuring the arts and culture sector can continue and survive during the coronavirus (COVID-19) pandemic. Any applications should demonstrate how the development they want to undertake will enable the organisation to do this. Eligible organisations must have experience of delivering work that was funded (directly or indirectly) by bodies such as Arts Council England, National Lottery Heritage Fund, National Lottery Community Fund, local authorities, universities, public sector bodies, trusts and foundations, libraries, etc

To apply, applicants must first register on ACE's [Grantium](#) application portal
